PLEASE NOTE THAT STUDENTS WHO HAVE OBTAINED THE LEVEL I DEGREE WITH A VOTE EQUAL OR HIGHER OF 85/110 ARE EXEMPTED FROM THE INTERVIEW FOR ACCESS TO THE CdLM. STUDENTS WITH A CERTIFICATION OF KNOWLEDGE OF THE ENGLISH LANGUAGE EQUAL TO LEVEL B2 OR HIGHER OF THE CEFR ARE ALSO EXEMPTED FROM THE INTERVIEW FOR THE VERIFICATION OF THE ENGLISH LANGUAGE.

THE LIST OF STUDENTS ADMITTED TO THE INTERVIEW AND OF THOSE EXEMPTED WILL BE PUBLISHED IN ADVANCE ON THE INSTITUTIONAL SITE OF THE INNOVATION ENGINEERING DEPARTMENT https://www.dii.unisalento.it/

IN ANY CASE, THE STUDENT MUST PROCEED WITH THE SUBMISSION OF THE ONLINE APPLICATION AS INDICATED IN THE NOTICE.

---

### DEPARTMENT OF INNOVATION ENGINEERING: A.A.2022-2023

### MASTER’S DEGREE PROGRAMME IN Aerospace Engineering (LM20)

*(The course is taught in English)*

### Admission requirements

Requirements to enrol in the Master’s Degree Programme in Aerospace Engineering are:

- To meet the curriculum requirements;
- To have a suitable personal preparation;
- To have an adequate proficiency in the teaching language; such requirement does not apply to students who are native speakers.

To enrol in the Master’s Degree Programme in Aerospace Engineering we require knowledge equivalent to what is foreseen by the general educational objectives of the Degree Class in Industrial Engineering (Class 10 of the Ministerial Decree/MD no. 509/1999 and Class 9 of Ministerial Decree no. 270/2004) to which the following curricular and language requirements are added:

1) Having earned at least 36 ECTS credits (cfu) in the scientific-disciplinary sectors indicated for the basic educational activities of the Degree Class in Industrial Engineering, in any university programme (Bachelor’s Degree, University Diploma of three years in duration, Master’s Degree – Laurea Specialistica or Laurea Magistrale, Postgraduate Programmes – Master di primo livello and Master di secondo livello)

2) Having earned at least 30 ECTS credits (cfu) in the core scientific-disciplinary sectors of the Degree Class in Industrial Engineering, earned in any university programme (Bachelor’s Degree, 3-year University Diploma, Master’s Degree – Laurea Specialistica or Laurea Magistrale, Postgraduate Programmes – Master di primo livello and Master di secondo livello).

3) Having a good proficiency in English, equivalent to B2 or higher of the CEFR.

Admission to the Programme is also allowed to those having a Master’s Degree (Laurea Specialistica o Laurea Magistrale) in Engineering (with reference to the Ministerial Decree/MD 509/1999 or MD 270/2004) or a University Diploma in Engineering obtained under the system (ordinamento) pre-existing to MD 509/1999. Without
CALL FOR APPLICATIONS

prejudice to the requirements of points 1,2,3.

Assessment of technical and linguistic competence

The candidate’s preparation will be assessed after verification of the existence of the curricular requirements, in the absence of which the candidate will not be considered suitable and will not be admitted to the subsequent examinations.

The candidate’s technical competence will be assessed by means of a compulsory examination, consisting of an individual interview conducted in front of a dedicated board, composed of three professors belonging to the Department of Innovation Engineering and a member representing the University Language Centre.

Competence in the English language can be proven through a language certificate equivalent to B2 or higher of the CEFR or, alternatively, through passing an interview, to be taken during the abovementioned examination, in accordance with the set schedule, in the presence of the committee.

Native English candidates are exempted from producing the required certification and verification of their knowledge of English language.

As a result of the examinations, students who have been assessed as having suitable technical and linguistic skills will be allowed to enrol.

Assessment of individual preparation: evaluation criteria.

Candidate’s preparation will be evaluated with the final decision of the examination board.

Subjects covered by the assessment test:

The interview will aim to ascertain the competence acquired in the basic, core and similar disciplinary scientific sectors as curricular requirements for admission to the Master’s Degree Programme (Laurea Magistrale).

Number of places reserved for non-EU students:

N. 20 of which: N. 10 Chinese students, N. 10 foreign students

Online application deadline:

Applications can be submitted by 12.00 PM of the following dates:

September 03, 2022
For those intending to attend the interview on September 13, 2022

December 06, 2022
For those intending to attend the interview on December 16, 2022

February 21, 2023
For those intending to attend the interview on March 03, 2023

**Terms and place of publication of examination results**
The rankings of students admitted will be published on the University’s website at:

[https://www.unisalento.it/albo-online](http://www.unisalento.it/albo-online),
as well as in the section titled “Iscrizioni/Graduatorie” of the University website and on the website of the Department of Innovation Engineering – menu “Didattica” at:

[http://www.ingegneria.unisalento.it](http://www.ingegneria.unisalento.it).
The publication on the online Official Noticeboard fulfils the legal obligations.

**How to apply to attend the test for the assessment of individual preparation:**
The application must be submitted without any possible postponement from the date of publication of this notice on the University’s website [www.unisalento.it](http://www.unisalento.it), as well as on the Department’s website [www.ingegneria.unisalento.it](http://www.ingegneria.unisalento.it) and within the deadline set in this Notice.

Any further detail regarding the methods of conducting the evaluation test is defined in the General Admission Notice (Bando Generale di ammissione) published on the University’s website.

Applications should be submitted online by visiting the following page:

[https://www.unisalento.it/studenti/iscrizioni](http://www.unisalento.it/studenti/iscrizioni),
to which reference is expressly made.

**Publication of admission rankings:**
The rankings of the students admitted will be published on the University’s website at:
